PLANTS DUG B & B

# **"Wholesale Growers of TAXUS for Over Twenty-one Years . ."**

For over twenty-one years we have been growing TAXUS on the hills nestled in the forest of Southern Illinois. Our nursery is located about thirty miles north of the junction of the Mississippi and Ohio rivers. The combination of these rivers and the forest, giving us a high humidity, makes it ideal for us to grow some of the best TAXUS in the mid-west. We are in Union County, approximately seventy-five miles further south than Louisville, Kentucky, which enables us to fill your early spring orders. All of our stock is dug B & B on digging forms assuring uniform balls. We can arrange economical truck-load delivery for our customers. Our nursery is located three miles north of Anna on highway 51. Please stop by and inspect our nursery stock anytime.

---

## **GENERAL TERMS AND CONDITIONS**

All Stock is priced FOB Anna Nursery. We guarantee plants to be true to name and grade. We give no warranty, express or implied, as to the livability or growth of plants. Liability in all instances is limited to the purchase price. Any complaints under this guarantee must be made within five days after receipt of shipment. 5% discount cash with order or before delivery, 2% 10 days; net 30 days. 1% interest charged per month on accounts over 30 days. **QUANTITY DISCOUNT:** 5% discount per hundred rate on Taxus. (Any one item.)
